

## Spent Brothers Fundraiser Garden Valley Collegiate Music Program

We will be selling BOTH Gift Cards & Pizzas from March 24<sup>th</sup> until April 10<sup>th</sup>. Students are asked to keep track of their buyers and to be responsible for ensuring the correct fees are collected for both Pizza and Gift Card orders. Student sellers should also check that the date/amount/addressee of the cheque is correct before handing it in.

Students will also be responsible for arranging delivery of the cards and pizzas. Pizzas and cards should be ready the week of April 17<sup>th</sup>.

### A few important notes:

- All cheques should be made out to **GVC Student Council**. Please *write the name of the student seller in the memo section* of the cheque so we can easily attribute money raised to the correct student.
- Please do NOT sell gift cards to businesses. Businesses already receive a discounted price on many Spent Brothers items, and therefore should not be combining the gift card rates with their reduced costs. Spent Brothers is very generous with their opportunities and we need to be respectful of that so they will be able to continue to support our community so generously, both through fundraising & special business pricing!
- Students will receive **15% commission on all gift card sales**. Gift cards do NOT expire. You can maintain a balance on gift cards, i.e. they do not need to be used up all at once.
- **Pizzas are being sold for \$10 each through our fundraiser**. \$6.50 of that goes to Spent Brothers, and **\$3.50 will go to the student seller**.
